

# A Day In The White House

Team : K - M - J

I always start  
my days doing a  
little exercise

Mr. President, we  
can't run in the  
corridors.

**7:30 am**

You have to decide what  
I'm going to use my  
energy for. That's why the  
routine is necessary. I  
can't lose the day in  
trivialities..

Handsome

don't want to think about  
what I'm going to eat or  
how I'm going to get  
dressed, it would wear me  
down.

A gray suit or a blue  
one? I like both

**8:30 – 9:00 am**  
**En la oficina**

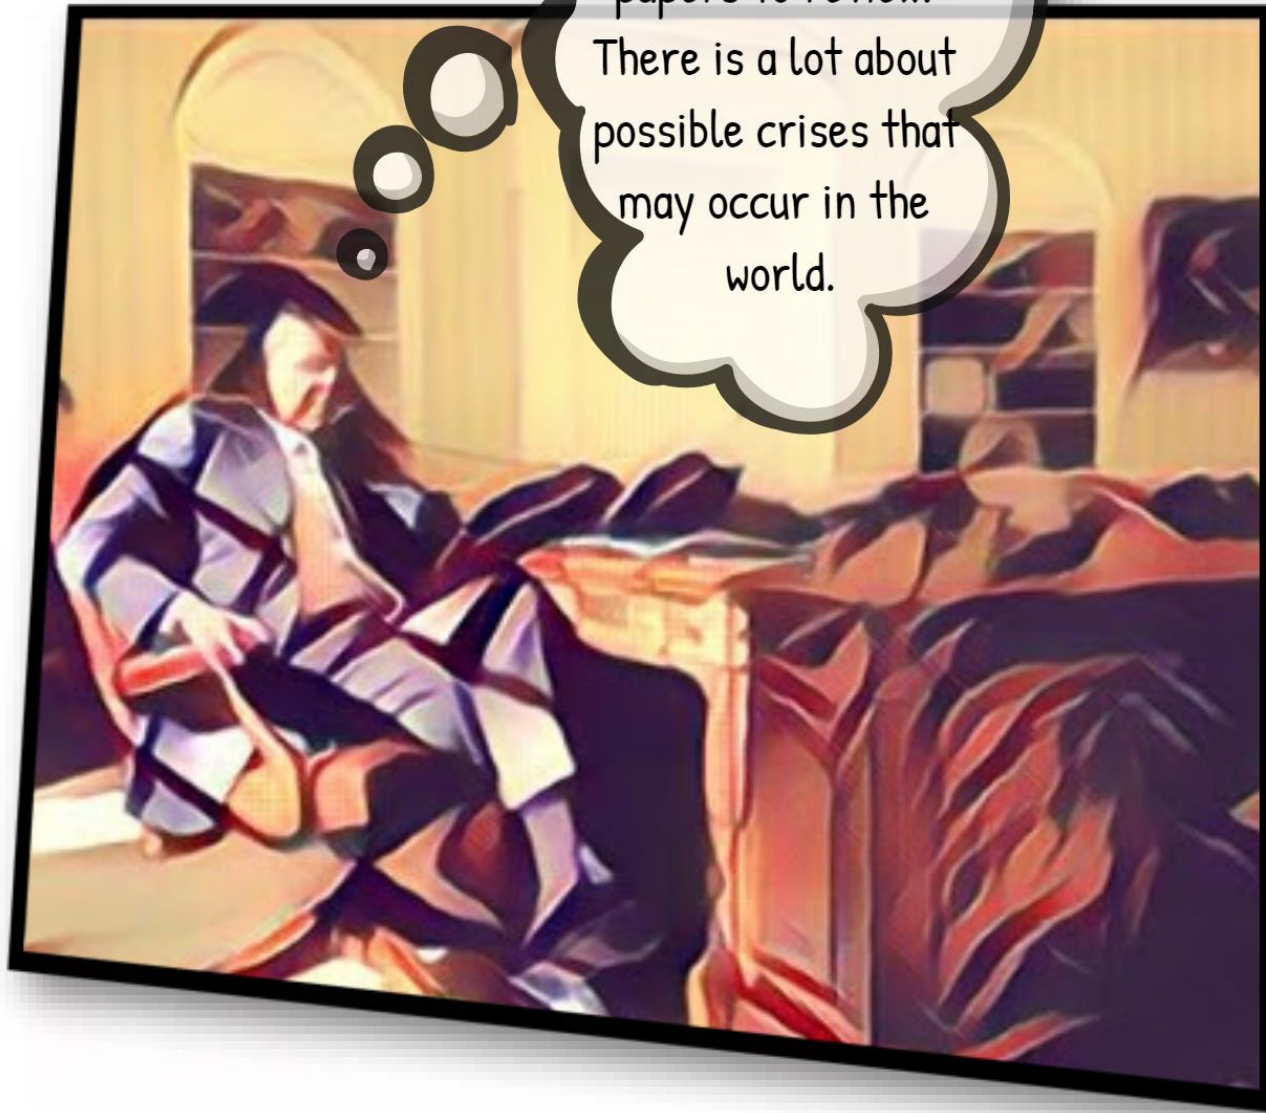

Good morning, Mr.  
President. Here is the  
agenda for today

Good morning.  
Thanks, I'll review it.

Wow, I have so many  
papers to review.

There is a lot about  
possible crises that  
may occur in the  
world.

Sometimes the president holds the 'handshake sessions' where he meets briefly and talks with some Americans who come to the White House.

*Sometimes the president performs activities outside the  
presidential office such as:  
Visit the citizens*

*Visit the victims*

Of course.

Dinner is delicious.  
Is not it, dear?

**6:30pm**

Yes, there are many things to tell, but first let's watch television

How are your girls days? Something new?

*After dinner, he spends time with his daughters.*

I like to spend time alone.  
It's the moment in which I  
find myself more calm and  
relaxed. I like to write.

**9:30pm**

**11:30pm**

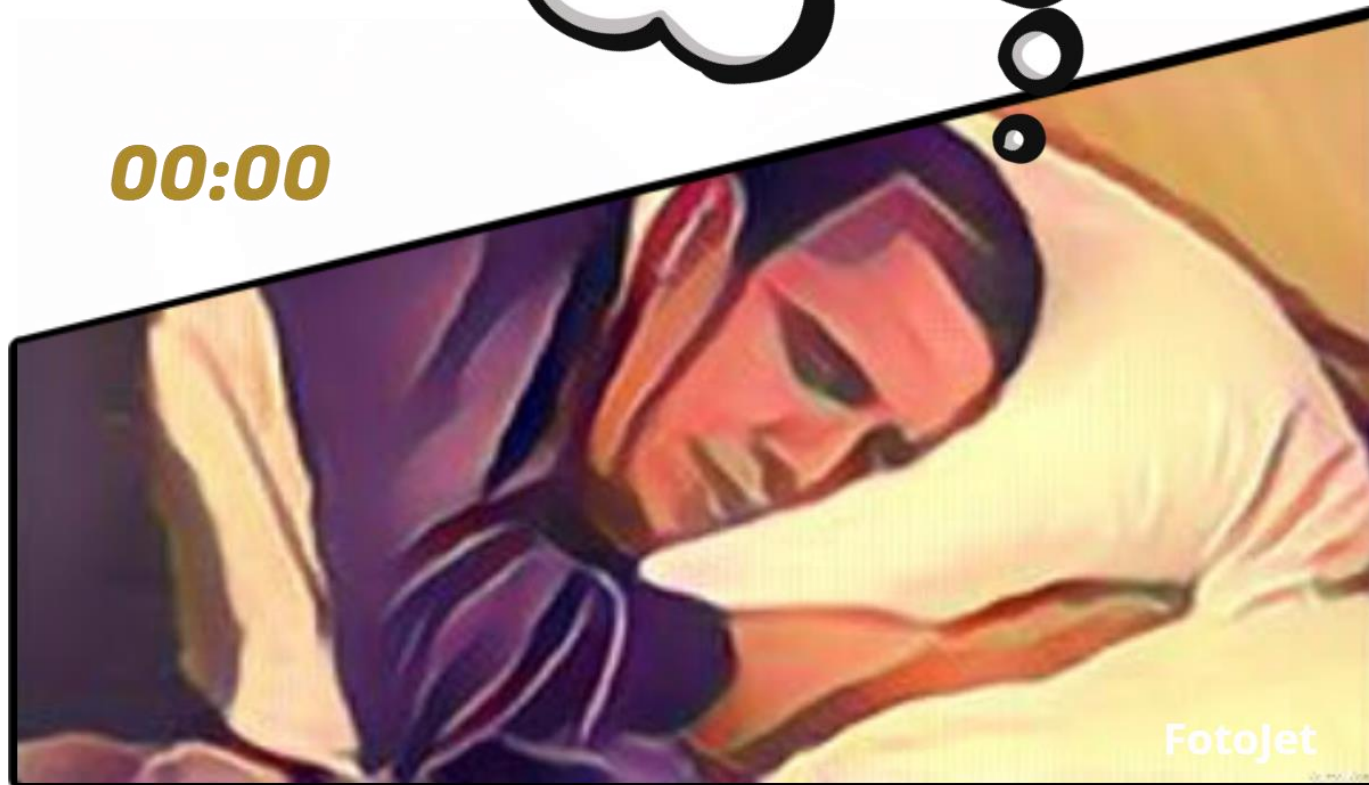

I like to read  
before going to  
bed.

I hope not  
to wake up  
my wife.
